Dear Sir,

**RE: PROJECT "HOME FOR THE DISABLED CHILDREN"**

The Ghana Health Service writes to express our full support for the proposed project for Disabled Children in the Navrongo in the Upper East Region of Ghana. This initiative aligns with our mission to support vulnerable children and uplift the community.

It is envisaged that the project, when completed will provide a safe haven for disabled children, offering them shelter, education and care.

The Service believes that LAZARO REVOLA has the expertise and passion to make this project a success. We therefore endorse your efforts and confirm our willingness to collaborate and provide the necessary support to ensure the project's success.

We look forward to the positive impact this project will have on the Navrongo community and the country as a whole.

Kindly accept our best wishes.

Sincerely,

**SAMUEL KABA AKORIYEA  
DIRECTOR-GENERAL**
